ABOUT A NEW WRAP

No doubt you have been thinking and talking to your friends about the styles of the wraps for Autumn and Winter Wear. We have them all open for your inspection and the line was never more up to date than at the present time. We buy only of the best and most progressive manufacturers.

One of Two Things

A successful store must do—either give as good values as some other house for less money, or better values for the same money. This is the secret of popular merchandising in a nutshell. It is also the secret of this store's success. Remember—better values for the same money; as good values for less money. This applies to every thing in the house but especially to WRAP SUITS and FURS. Notice a few quotations.
